Digging Deeper

4. Romans 1:18-25 is probably the most descriptive passage in the Bible on the “fall of mankind.” In verse 18, what did mankind do when given “the truth” about God?

5. After having introduced us to the revelation of the righteousness of God in verse 17, why does Paul move so quickly to the wrath of God? Why do we need to understand God’s wrath? Why do people not believe in God’s wrath?

6. How did God expect mankind to know “the truth” before Jesus Christ came into the world? (V19-20)

7. Why do people tend to worship the creation rather than the creator? (V21-23, 25) With such powerful revelation available to us, why does man not honor God and be grateful? What does man’s preference for idols show about our rebellious hearts?

8. Why is God moved to anger against evil? What particular sin is He angry about? What sins are at the top of the list?

9. What can we learn about God from His creation? (V20) From His Word? From His Son?

10. Why is sexual sin the ultimate expression of man’s rebellion and therefore at the forefront of God’s judgment? (V24-25; Matthew 5:27-28; Colossians 3:5-7; 1 Corinthians 6:12-20; 1 Thessalonians 4:3-8)

11. How can deliverance from sexual sin be found? (John 8:31-36; Galatians 5:16-18; Ephesians 6:10-18)
