Operation Christmas Child

Bethel is collecting shoeboxes both in person and online this year. If you plan to put together a shoebox, we are collecting them in the Welcome Center. The deadline is November 15.

Bethel now has a Build a Shoebox Online Goal Page!

The goal is to build 50 online boxes! If you are unable to put together an actual shoebox, would you consider joining us and building one online? See today's insert for more information.

Children's Sunday School Update

After evaluating the current pandemic status in our area, we have decided that for the safety of our kids and teachers, it is wise to postpone the start of in person Sunday School. We understand that this may be disappointing (we are sad too!), but we want to make sure that when we are able to meet again, it is safe for everyone. As we eagerly await meeting together, we will continue to move forward with our plans so that when it is safe, we are ready to go! We already have our policies and procedures in place and will continue to work with our teachers, elders and staff as we prepare for that time. In the meantime, we will continue to support you virtually as best we can. Please reach out to us if we can help in your family discipleship in any way.

In Christ, Stephanie and Billy Statema
