

**Judging Others in
Areas of Freedom**
Romans 14:1-15:7
12/6/20
Elder Walt Cercavschi

Background:

Those lacking in liberty: weak

Those with liberty: strong (Colossians 2:16-17)

Paul's deeper lesson for us:

Love should compel the stronger not to despise or belittle

Love should compel the weaker not to judge or play God

Read Romans 14:1-15:7

How is this relevant today? Anything outside the gospel or sin that divides us or causes me to look down on you. Examples: schooling, health, moderate drinking, cigars or pipe smoking, computer gaming, etc.

Before walking through some verses, four points:

1. Paul is not speaking of doctrine or sin issues—he is fierce on those.
2. Should we ever judge others? (Matthew 7)
3. Abstaining because of a sin issue, health or money issue, or other reasons.

Notes on verses 14:1-15:7

Conclusion:

Be fully convinced

If you tilt toward liberty, great, but...

If you tilt toward more strict, great, but...

Relinquish rights out of love—our normal heart condition toward others should be love—through the Spirit to become like Jesus, our model. God is changing you—all glory to Him!
