

sunday morning classes

From Independence Day through Labor Day weekend, your children are invited to be part of our family worship services at 10 am where we incorporate children into the worship service.

A kid's activity booklet is available outside the sanctuary along with crayons. Please pick up a copy as a way to engage your kids in the worship service.

The Sunday morning schedule will change in the fall.

Haiti Update

An update from Pastor Paul:

We are in a safe place and things are stable up here in the mountains where we are located, five hours away from the capital city of Port au Prince. On Wednesday, there was some tension and concern about potential unrest, but things have remained calm. Although schools, the airport, and embassy have been closed, it is expected that all will reopen next week and we will be able to return to the US on our scheduled flight on July 18. We will continue with our ministry schedule, but remain local and focus on ministry with the students in the school. The pastor's conference went well - it was the first time the pastors have been together since the onset of COVID and it was an exciting time! Wendy was able to teach the women and has been conducting informal English classes with the students. What a blessing to see her use her gifts and abilities with the Haitian students! Thank you for your continued prayers!

1,000 Spiritual Conversations

As a church our goal is to have 1,000 spiritual conversations with people who are not actively involved in a church or haven't put their faith in Christ. You can scan this "GO" QR code to let us know of your spiritual conversation. What a joy to share our hope in Jesus with others (1Peter 3:15-16).
